

HALO SALES PERFORMANCE REPORT

Tony Serra Ford

Dealer 21047 | Aug 24, 2026 - Aug 30, 2026

Data current through Aug 30, 2026; generated Aug 31, 2026; one day old.

Executive Snapshot

TOTAL GROSS \$1,600.99 Delivered this week	SHOW RATE 42.9% Booked appointments shown	LEAD-TO-SALE YIELD 16.2% End-to-end, this week
VISIT-TO-SALE 21.4% Of showroom visits	AVG RESPONSE 317 Minutes	NO-SHOW RATE 57.1% Booked appointments

Momentum and Opportunity

This snapshot covers Aug 24, 2026 - Aug 30, 2026 for Tony Serra Ford.

Your leading opportunity this week: Review how booked appointments are confirmed and reminded. A structured confirmation routine is a practical step to test against next period's recorded show rate.

Also worth attention: Consider a defined same-day follow-up step for guests who did not arrive, and compare the recorded no-show rate next period.

Sales Funnel

Leads		37
Appointments set		6 · 16.2%
Appointments shown		2 · 33.3%
Showroom visits		14 · 37.8%
Visits sold		3 · 21.4%

Appointment Execution

Counts

Booked 7	Shown 3	No-show 4	Confirmed 3
Cancelled 0	Rescheduled 2	Completed 3	

Rates

Show rate 42.9%	No-show rate 57.1%	Confirmation rate 42.9%	Cancel rate 0.0%
Reschedule rate 28.6%	Completion rate 42.9%

Priority Action Plan

PRIORITY 1

Customer Experience

Smooth the buyer path

Review how booked appointments are confirmed and reminded. A structured confirmation routine is a practical step to test against next period's recorded show rate.

In context: This is the share of booked appointments recorded as shown this week; compare it against next period.

OWNER Sales Manager FOLLOW-UP METRIC Appointment show rate

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Notify the Sales Manager when the weekly appointment show rate falls below your dealer-relative target.

Recommended automation: A guest confirmation-and-reminder cadence.

PRIORITY 2

Process

Tighten your process

Consider a defined same-day follow-up step for guests who did not arrive, and compare the recorded no-show rate next period.

In context: This is the share of booked appointments recorded as no-shows this week; compare it against next period.

OWNER Sales Manager FOLLOW-UP METRIC Appointment no-show rate

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Notify the Sales Manager on a same-day appointment no-show so a personal follow-up can go out.

Recommended automation: A same-day reschedule outreach for guests who did not arrive.

PRIORITY 3

Sales & Gross

Grow sales and gross

Review front-end desking on recent deals; front gross was recorded below zero this period.
In context: This is your recorded front/back gross composition this week; review it in deal meetings and compare next period.

OWNER Sales Manager FOLLOW-UP METRIC Total gross

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Send the Sales Manager a weekly front/back gross mix summary.
Recommended automation: Deal-desk review prompts.

PRIORITY 4

Process

Tighten your process

Align your reports on a single trusted sold count so per-deal and close-rate views match across your reports.
In context: Your two sold-count views differ this week; reconcile them so the counts agree.

OWNER General Manager FOLLOW-UP METRIC Total gross

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Flag the General Manager when the two sold-count views differ for the week.
Recommended automation: A weekly reporting reconciliation checklist.

PRIORITY 5

Sales & Gross

Grow sales and gross

Review your funnel steps together - set, show, and close - alongside your overall lead-to-sale yield, and track each snapshot next period.
In context: These are your recorded funnel snapshots this week; review each against next period.

OWNER Sales Manager FOLLOW-UP METRIC Lead-to-sale yield

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Include the weekly funnel snapshot in the Sales Manager's Monday review.
Recommended automation: A structured weekly funnel-review checklist.

PRIORITY 6

Team Efficiency

Focus your team's effort

Use your recorded no-show count to decide where confirmation effort is worth prioritizing, and review the change next period.
In context: This is the count of appointments recorded as no-shows this week; review it against next period.

OWNER Sales Manager FOLLOW-UP METRIC Appointment no-show rate

NOT ACTIVE - REVIEW BEFORE ACTIVATION

Recommended alert: Send the Sales Manager a weekly summary of no-show volume for confirmation planning.
Recommended automation: Prioritized confirmation outreach for the week's bookings.

PRIORITY 7

Customer Experience

Smooth the buyer path

Track your average response time and set a dealer-relative target to review next period.

In context: This is your recorded average response time this week; set a dealer-relative target and review next period.

OWNER Sales Manager FOLLOW-UP METRIC Average response time (minutes)

NOT ACTIVE - REVIEW BEFORE ACTIVATION Recommended alert: Notify the Sales Manager when average response time drifts above your dealer-relative target.
Recommended automation: A lead-response prompt for the team.
