HIGH-IMPACT GROWTH OPPORTUNITIES

- Priority 1 — Recover 4 no-show appointments with a same-week reminder cadence
- Priority 2 — 4 of 7 appointments were not marked confirmed during the week — review the confirmation workflow³
- Priority 3 — Reduce duplicate leads (12%) by tightening source routing²

RECOMMENDED NEXT STEPS

- | | | |
|------------------------|---|---------------------|
| ● Manager | Weekly performance digest: delivered vehicles, total gross, and appointment show rate | AVAILABLE NEXT STEP |
| ● Sales Manager | Weekend appointment-confirmation push to protect show rate | RECOMMENDED PILOT |
| ● Salesperson | Same-day re-engagement of this week's no-shows | RECOMMENDED PILOT |

NOTES

1. Two sales reports show different counts for this week (7 recorded sales vs 6 on the dashboard); both are shown while the figures are being reconciled.
2. Directional CRM signal — the underlying report categories overlap and are pending refinement.
3. Reflects the full week's appointment records, including completed and cancelled.
