- Priority 3 — Reduce duplicate leads (10%) by tightening source routing¹
- Priority 4 — Balance a high outbound-to-inbound ratio (218:28) with faster first-reply handling¹

SUGGESTED COVERAGE & NOTIFICATIONS

● Manager	Weekly digest: delivered vehicles, total gross, and appointment show rate	SUGGESTED — NOT ACTIVATED, SCHEDULED, OR SENT
● Sales Manager	Flag unconfirmed appointments before the weekend to protect show rate	SUGGESTED — NOT ACTIVATED, SCHEDULED, OR SENT
● Salesperson	Re-engage this week’s no-shows within 24 hours	SUGGESTED — NOT ACTIVATED, SCHEDULED, OR SENT

ENDNOTES

1. Provisional / directional figure. The governed Sales-only gate quarantined this VinSolutions family because the report’s hidden Lead Intent metadata includes Parts/Service and cannot be separated after aggregation; it is a strong operational signal, not strict accepted proof.
2. Retrospective: the weekly pool includes completed / cancelled / no-show records and is not necessarily presently actionable; review the confirmation workflow.
